Dear Montague families,

It is come to my attention that people are concerned about information they are receiving from the school. We are trying to be as timely as possible.

We were made aware that many of our messages may have gone to your spam or junk folder. If this is the case, please mark them as not spam or junk, so future emails from the school will be received into your inbox.

Today all information is going out that we had promised. There will be a separate email to follow with parent portal login credentials, of which is also being mailed home. As for school supplies, Montague provides all the necessary supplies for your children. After attending, if they have things that they would like for themselves they are always welcome. In addition, our school calendar is in lieu of school board approval. Upon approval at the upcoming BOE meeting on Monday August 9th, we will promptly post the calendar on our website.

Also, if I may, please contact me or the school when you have any questions or concerns. we are here to help. Let's move forward together.

Graciously,
Mr. John Nittolo
Principal/Acting CSA
