Fax 973-293-3391

TO: Parents and Staff

FROM: David H. Miller Jr., Director School Facilities, Montague Township School District

DATE: September 6th, 2022

SUBJECT: ABESTOS HAZARD EMERGENCY RESPONSE ACT (AHERA)

Dear Parents/Guardians:

In accordance with federal regulations of the Asbestos Hazard Emergency Response Act, (AHERA), school districts are mandated to inform you annually of our compliance with their regulations.

Each school has conducted AHERA inspections and has developed the required Management Plans for Asbestos Containing Materials (ACBM). As required by AHERA, since July 1989, a three-year re-inspection will be conducted in 2021 by an accredited inspection firm. The school buildings were inspected and a letter of assurance was sent to the New Jersey Department of Health confirming our compliance with AHERA regulations.

The Asbestos Management Plan, previous three-year re-inspection and six-month surveillance reports are available for review in the main office of each school building. The Montague Township School District employs the services of Aero Environmental for our AHERA inspections

Should you have any questions regarding asbestos issues, please contact David Miller in the Buildings and Grounds office at 973-293-7131, extension 215.

David H. Miller Jr., Director of School Facilities, CEFM
