November 2022

Prospective Basketball Parents/Guardians,

Basketball season will begin on Tuesday, January 3<sup>rd</sup> which is also the first day we return from winter break. Students in grades 4-8 are welcome to participate. This is an intramural sports program where students will be competing against each other versus students at similar ability levels. Our focus is to build skills and have the students develop a love for the game. Tentatively, basketball practices will be Tuesdays, Wednesdays, and Thursdays from 3:45pm-5:00pm, however this is subject to change based on student enrollment. Students must be picked up promptly at 5pm. We encourage all students to participate but keep in mind this is a commitment. Students in grades 6-8 are required to get a sports physical that is **updated**. Students in those grades cannot participate unless their physicals paperwork is in order and that they are cleared before our January 3<sup>rd</sup> start date. You can find the appropriate documents on the school website under Parents. Next, click Sports, under the Sports tab you will see "Physical Instructions". We encourage you to get all of the paperwork done now so that there are no issues prior to our start date. If you have any additional questions about your child's physical please reach out to our school nurse. Both coaches are so thrilled to be coaching basketball this season! Please do not hesitate to reach out to either coach:
